

# Services Agreement

## 1. Introduction

1.1. This Agreement (the "Agreement") will govern the use of the products, services or any other features, technologies or functionalities (the "Services") provided by **MyNearWallet LLC** ("CoinPipe", "we", "our", or "us") through CoinPipe's website, API or through any other means to you ("Merchant", "you" or "your"). This Agreement will come into effect when you confirm electronically on the Website that you have read, understood, and accepted all of the provisions contained herein.

1.2. This Agreement (always together with the documents referred to in it) tells you who We are, how We will provide the Services to you, how this Agreement may be changed or ended, what to do if there is a problem and/or other important information. If you think that there is a mistake in this Agreement or require any changes, please contact Us at [help@coinpipe.finance](mailto:help@coinpipe.finance).

2.3. By using the Services, you authorize CoinPipe to act as your agent and to take any and all actions that we think are necessary or desirable to provide the Services and to comply with applicable laws and regulations.
